<b>Contractor</b>	OpenID Foundation
<b>Contracting party</b>	Catalogix AB
<b>Concept</b>	Development of the OIDF Test Suite
<b>Turnaround</b>	Finished by the end of IIW #24 (May 5th 2017)
<b>Price</b>	\$36900
<b>Date</b>	2016-12-01

## Budget details

Task	hours	Price (\$)
<b>Updating software version</b>		6600
Installing the new version of the OIDF OP test suite.	4	
Before it is installed it has to be made clear that the new version gives the same result as the old. This will be accomplished by having a number of parties (>=3) that has already been certified, retest their installation with the new test suite.	40	
<b>Ongoing maintenance until the RSA conference</b>		4200
Helping testers and if necessary fix bugs in the test suite. 4h/w January 1 - February 19 (7 weeks)	28	
<b>Ongoing maintenance RSA conference - IIW</b>		3300
2h/w February 20 - May 7 (11 weeks)	22	
<b>Tests of OP-initiated flow</b>		3600
Constructs tests that test the functionality defined in <a href="http://openid.net/specs/openid-connect-core-1_0.html#ThirdPartyInitiatedLogin">http://openid.net/specs/openid-connect-core-1_0.html#ThirdPartyInitiatedLogin</a>	24	
<b>Tests on usage of Refresh Token</b>		3600
Construct tests that test the functionality described in <a href="http://openid.net/specs/openid-connect-core-1_0.html#RefreshTokens">http://openid.net/specs/openid-connect-core-1_0.html#RefreshTokens</a>	24	
<b>Tests of Session handling</b>		4800
Construct tests that test the functionality described in: <a href="http://openid.net/specs/openid-connect-session-1_0.html">http://openid.net/specs/openid-connect-session-1_0.html</a>	32	
<b>Tests on Front channel logout</b>		4200
Construct tests that test the functionality described in: <a href="http://openid.net/specs/openid-connect-frontchannel-1_0.html">http://openid.net/specs/openid-connect-frontchannel-1_0.html</a>	28	
<b>Tests on Backchannel logout</b>		4200
Construct tests that test the functionality described in <a href="http://openid.net/specs/openid-connect-backchannel-1_0.html">http://openid.net/specs/openid-connect-backchannel-1_0.html</a>	28	
<b>Tests of form_post</b>		2400
To verify that the form_post tests are ready to be used in a certification profile	16	
	246	36900
